Strengthening local social action

We know that volunteering works best when both the volunteer and the group they are supporting are happy and benefitting, which is why we take time to find out exactly what individuals and organisations are looking for.

If you are interested in volunteering locally,

 visit us at 43 Bromham Road in Bedford and we will talk to you about the experience you are looking for, and link you to organisations that need people like you;

Our one-to-one recruitment sessions are held on Thursdays weekly. Just drop in at 43 Bromham Road, Bedford, MK40 2AA (between 10.00 am and 1.00 pm).

 use our website at cvsbeds.org.uk, and our twitter and facebook feeds to read more about volunteering and stay in touch with latest opportunities and guidance;

 search the national database at do-it.org to find out the sorts of opportunities that are available.
