Where  
Volunteering  
Counts

## Try something new today

We've enjoyed hearing about how volunteering has benefitted both you and your communities. Keep it up!

This season we added a new retail opportunity and we hope you can get involved in the events taking place over the next couple of months. We've also given you a sneak preview of the summer events coming up.

Youth Action is working with Aragon Youth and Shefford Town Council to bring you the NSPCC's Big Board Game Day which is a great way to raise money for charity while meeting new people and having fun.

We would like to draw your attention to the Shortmead House conservation opportunity found on page 22. This is a great outdoor placement working to maintain the grounds of this popular wedding venue. Tasks include gardening, clearing, dredging the pond and planting. A great opportunity to be involved in on a summer's day!

Have a look through our programme and email [adam@youthactioncentral.org](mailto:adam@youthactioncentral.org) or call **01234 354366** to tell us what you want to do.

If you are not sure what to try, why not contact me to chat things through?  
...and remember:

## The most important thing is to have fun!

Youth Action Project Coordinator

## **Volunteer for just 10 hours and gain a nationally accredited award!**

Youth Action supports volunteers to log the hours they spend volunteering online using [vInspired.com](https://vinspired.com) that can result in being granted a nationally accredited award - perfect for listing on UCAS applications, CVs etc. It's very easy to do and completely free!

The vInspired awards are a recognition scheme for volunteers aged 14 to 25. They celebrate the efforts and achievements of volunteers and recognise the amazing things young people do. They are designed to show colleges, universities and potential employers the positive impact young volunteers have had on their communities and the skills they have gained through their experiences.

There are four vInspired awards:

- v10 is the “starter” award and is awarded for completing 10 hours of volunteering.
- V30 and v50 awards are for 30/50 hours of volunteering and asks you to show an understanding of the skills you’ve used and the impact you’ve made.
- v100 award is for a further 50 hours of volunteering and asks what you’ve learnt during your volunteering and how your skills have developed.

For more information on [vInspired.com](https://vinspired.com) and a guide on how to log your hours email Adam on [info@youthactioncentral.org](mailto:info@youthactioncentral.org) or call 01234 213100 / 07508 113009.
