

# ENVIRONMENT & GREEN SPACES

## **Bedford and District Gardeners Association**

### [Customer Service / Warehouse](#)

In this role, you will be serving customers with gardening products while working as part of a team to provide excellent customer service. Your duties will include advising customers about products, bringing heavy items such as bags of compost to customers' cars, and keeping the warehouse clean and tidy.

### [Till Operator](#)

As a volunteer, you will greet customers and provide friendly, helpful service. You will operate the till and card payment machine, handling cash transactions where necessary while supporting a mostly cash-free environment. You will provide customers with product information and answer any questions they may have.

## **The Owen Smith Charitable Trust**

### [Countryside Worker/Gardener](#)

You will also learn about the rewilding process and how to provide a habitat for wildlife. No experience necessary as full training will be given. Volunteering is a great way of gaining confidence, improving health and fitness, meeting new people and making new friends.

### [Programme Producer](#)

We are looking for people with existing skills and knowledge that want the opportunity to give back to the community, as well as gaining experience in facilitating your very own workshop. You will design a plan with varied activities for all ages or specifically for a targeted group (children, young people, older adults, etc.), gather materials needed, manage a group of participants, follow-up for feedback to improve future programmes.
